GS-701 Sleeve

Fits up to 7 inch Tablet PC and e-Book

Genius presents a new portable sleeve GS-701, to protect your Tablet PC and e-Book from shocks and scratches. The eye-catching color design is also found inside the laptop sleeve, so you can tuck your 7” Tablet into a snug neoprene sleeve with a striking two-color design that is reversible. Two layers of neoprene lining are water resistant to keep your tablet device protected. The easy-grip surface feels good in your hands and is durable too. The GS-701 is a slim-profile sleeve that adds a layer of protection without adding bulk.
